

Speech Evaluation: Saw, Heard, Felt

Evaluation Details	
Evaluation For: _____	Evaluation By: _____
Speech Title: _____	Date: _____
<p>An evaluation should list good things, and things that can be better. Give examples how you know they did well, like things they said or did. Suggest a few basic ways to improve, but include lots of encouraging remarks – we want them to speak again! Say good things first, then some that could improve, and end with the best things.</p>	

Evaluation Notes
